## 9", 21" AND COMBO GARDEN DEBRIS RAKE ASSEMBLY AND PARTS LIST

## **INSTRUCTIONS**

- 1. Insert end of rake handle with pre-drilled holes into the neck of the 9" or 21" rake head.
- 2. Align holes of rake and handle and insert the included bolt.
- 3. Fasten bolt with the included nylon locknut on the back; twist until handle is secure.
